the prez sez!

Hi to All!

Remember we are meeting at the Cancun Mexican Restaurant this coming month. It is the old 'Golden Corral' location. Roy has us there for rest of the year. I have been under the weather for about five days from September 28th to October 3rd. I don't have much new for the month. We are coming into the Fall, leaves, Winter getting closer! Time to check out antennas and gear so you don't have to get out in the weather if something goes awry. There are contests for all modes, and general activity as well. You get out of the hobby what you put into it. I am building some additional capability on south side of the house, with the hope of getting them up in the next month.

That's all folks!

Dave, KD8W

The membership meeting is **October 19th, 2026 @ Cancun Mexican Restaurant**. Dinner at 6pm...meeting at 7pm. Given the dinner location, no donations...just pay your tab at the restaurant! :)

The UNofficial Minutes of Dial Meeting, September 21st, 2026 @ ARMCO Park

Attendance: W8EH, KC8WOF, W8RES, N8QF, W8SMH, Janice, W8RJK, KE8UAT, W8ISZ, KC8TXA, N8LRN, N8YFQ. (12)

We had pizza for dinner. Dave, KD8W, was absent, so VP Dave, N8YFQ, counted heads and decided that we did not have enough for a quorum to conduct business. We needed 14, which would be two thirds of the average attendance for the last 12 months.

We had a short informal discussion about potential meeting locations. We are looking for a place with a separated room/area that is more suited to meetings than the noisy Broken Barrel, or the John 23rd school. Meeting location will be announced in the newsletter. [Cancun Mexican Restaurant]

Announcements & Misc

Brian Alcorn, KE8OIR, will be hosting two “special event” nets: Christmas Eve @ 8pm and New Year’s Eve @ 8pm. More details to come!

Bill Lynch, K8WWS, has been keeping his CW skills fresh by sharing Bible verses with a friend. I could say more, but this link shares his entire story! <https://lorilynroberts.com/sharing-bible-verses-in-cw-using-amateur-radio-frequencies/>

Also, as Dave (KD8W) and Ernie (W8EH) have mentioned, Roy (N8LRN) has arranged for Cancun Mexican Restaurant to be our meeting spot for the rest of the year.
